Introduction Letter**

Monday, 5th Oct. 2015

Clear Vision Corporation is an **ISO 9001:2008** certified company established in 2006 and achieved good reputation among companies and contractors in Saudi Arabia.

Our main objective is to serve industries through specialized contracting and trading. We are specialized in the areas of *Mechanical, Civil, Electrical, Scaffolding, Refractory, Thermal Insulation, Fire-proofing and Standing Seam Panel Insulation for Storage Tanks.*

We have completed projects in Petro Rabigh, SAMREF, CRISTAL, SWCC, MARAFIQ ACCL, YANPET, NATPET, IBN RUSHD, AL BAIRUNI, PETROMIN, YANBU CEMENT CO., QASSIM CEMENT CO., YASREF, LUBEREF, SAUDI ARAMCO etc.

Our Major clients are Arabian CB &I, Tankoc S.p.A, Italy, TecnicasReunidas, Fluor Arabia Ltd., Yanbu Steel co., HIDADA, CAT Co., Harris Pye Engineering Ltd, LURGI, BUSE GASTEK, etc.

We have scaffold design department, materials and **TUV certified supervisors and erectors** to undertake Major scaffolding Projects.

Recently, we have opened our branches in Kuwait, United Arab Emirates and India.

We will provide all the required documents for vendor registration, client references and appreciation letters.

Thanks & Regards,

Muhammed Khader K
Managing Director,
mkhader@clearvisionglobal.net

Quality Policy

QUALITY POLICY

Clear vision is committed to achieve customer satisfaction in all our products and services. We are dedicated in pursuing continual improvement strategies in order to enhance our corporate image, quality of service/products and capabilities of our employees.

As a growing organization we will be focusing on the below mentioned areas:

- Open and clear communication with our customer to understand their requirement at its best.
- Continuous professional development of our people to ensure expertise and requisite knowledge.
- Creating a cordial and professional work environment to boost teamwork and productivity.
- Deploying stringent quality control measures to achieve completeness, timeliness and accuracy of our delivery and executed work.
- Consistently meet the requirement of implemented ISO 9001:2008 certification in all respects.

Muhammed Khader K
Managing Director,
mkhader@clearvisionglobal.net

HS & E Policy

HS&E POLICY

It is the objective of *Clear Vision Corporation* to ensure to protect health and safety of our employees and who may be affected by company operations and the avoidance of any adverse impact on the environment.

Our safety and loss prevention program has been outlined to assure compliance with Government clients HSE Dept, job work rules procedures and health standards, as to ensure that CVE Management and Employees are committed in achieving "Zero" accidents, thereby eliminate attendant losses and promoting a safer work environment in our area of operations.

The aim is to prevent incidents and other disturbance in every task and operation which may result in personal injury, property damage or detriment to the environment.

Such preventive actions need continues improvement and a priority equal to the activities for production and assurance.

Clear Vision Corporation is committed to ensure all safety rules are understood by all our employees and implemented to ensure a safe working environment.

Muhammed Khader K
Managing Director,
mkhader@clearvisionglobal.net.

CERTIFICATE OF APPRECIATION

To whom it may concern

This is to certify that M/s Clear Vision Corporation, CR.NO #4700009453, Post Box # 1697, Yanbu Al-Bahr, Kingdom of Saudi Arabia, worked with us for Standing Seam Insulation System.

They have successfully completed insulation of Thirteen (13) tanks with Standing Seam Insulation System for SADARA Tank Farm in SADARA Site Development & Logistics Projects at King Fahad Industrial Port Jubail and one(1) tank at SASREF site.

M/s Clear Vision Corporation's prompt supply, services and skilled workmanship proved themselves as an excellent contractor in the field of Standing Seam Insulation.

COMPARISON BETWEEN CONVENTIONAL INSULATION & STANDING SEAM PANEL

	CONVENTIONAL INSULATION	STANDING SEAM PANEL SYSTEM
1	Scaffolding Required	No Scaffolding Required
2	More Work Duration On Tank	Less Duration Of Work On Tank
3	Job Safety Risk Is More	Less Risk
4	Expensive	Less Expensive
5	Maintenance Required	Maintenance Free
6	Insulation Support Rings Required	No Welded Part On The Shell
7	Moisture Entry After Long Use	Tightly Sealed Seams Avoid Moisture Entry
8	Less Structural Strength	Superior In Structural Strength
9	May Damage On Heavy Wind	It Withstand Heavy Wind
10	Less Durability	High Durability With Good Performance
11	Suitable For Small Tanks	Suitable For Big Diameter Tanks

STANDING SEAM PANEL TANK INSULATION SYSTEM

سجل تجاري رقم ٢٠٥١٢٢٥٦٤

Dated 28th March, 2008

To whom it may concern

M/s Clear Vision Establishment is working with us as Scaffolding Contractor for our MARAFIQ Project at Yanbu Industrial City, Kingdom of Saudi Arabia.

M/s Clear Vision made Drawing & Structural design for a heavy duty scaffold to carry a load 180MT of RCC and successfully erected the scaffold platform in the sea water pit, a confined space.

Their prompt supply, services and skilled workmanship proved themselves as an excellent contractor in the field of scaffolding.

We prefer M/s Clear Vision for our future projects and also recommend them as scaffold contractor.

Thanks & Regards,

Sami N. Bayeh,
Project Manager

To Whom It May Concern

M/s Clear Vision Establishment is working with us as thermal insulation contractor for our U & O Project, Yansab, Yanbu, Kingdom of Saudi Arabia.

They are doing supply and installation of cold and hot insulation.

M/s Clear Vision is working with us since one year; their skilled work force, supervision and quality control proved themselves as an excellent contractor in thermal insulation. They have their own Cellular Glass, PIR, PUF and sheet metal fabrication facilities.

We prefer **M/s Clear Vision** as our contractor for future projects and recommend them as thermal insulation, fire proofing and scaffolding contractor.

Yours truly,

Thanks & Regards,

Jamal Daher,
Sr. Project Manager
